PINUAGA

90+ POINTS

“Inky purple, it delivers an expressive perfume of toasty oak, mineral, pencil lead, and blackberry. This leads to a **medium to full-bodied, firmly structured, reticent wine with outstanding potential.** Drink well through 2020. ”

88 POINTS

“Unoaked blend of 80% Merlot and 20% Tempranillo sourced from ungrafted, head-pruned vines over 45 years of age and fermented with native yeasts. Dark ruby red in color, it proffers a fragrant bouquet of damp earth, spice box, tobacco, red currant, and cherry. It is an excellent value for drinking over the next 4 years. ”
